

Port of Milford Haven

Notice to Mariners

## Notice to Mariners No. 138 of 2022 - Braveheart Spirit Survey

28/10/2022

1. **MARINERS ARE HEREBY ADVISED** that, until end November 2022, the survey vessel “**BRAVEHEART SPIRIT**” will be surveying for the offshore windfarm “Llyr”, approx. 20nm Southwest of St Ann’s Head and on route inshore towards the Port limits.
2. During this period an area will be surveyed from West Angle Bay, down the East Channel and then a line heading approx. South of Southwest, keeping West of Turbot Bank Buoy and 1nm East of the plotted Pilot station.
3. Survey work will only take place during the hours of daylight, and whilst in Port limits, vessel will have a Port Pilot embarked. Operators will keep MHPA VTS advised of plans daily to avoid any delays with Port operations.
4. **BRAVEHEART SPIRIT** is a 73m survey vessel, listening on VHF Ch12/16 and displaying the appropriate shapes and lights as per the regulations. Mariners are requested to pass at a safe distance with minimum wake.
5. Admiralty Chart 2878 (Approaches), 3273 (Entrance), 3274 (West Haven), and Imray Y26 & 2600 ATLAS refer.
6. This notice replaces and cancels NtM 130 of 2022.
7. This Notice will self-cancel at 2359hrs 30<sup>th</sup> November 2022.
